

INDEPENDENT AUDITOR'S REPORT TO THE CHIEF EXECUTIVE OFFICER OF IGI FINEX SECURITIES LIMITED ON STATEMENT OF NET CAPITAL BALANCE AS AT DECEMBER 31, 2019

Opinion

We have audited the Statement of Net Capital Balance of IGI Finex Securities Limited (the Securities Broker) and notes to the Statement of Net Capital Balance as at December 31, 2019 (together 'the Statement').

In our opinion, the financial information in the Statement of the Securities Broker as at December 31, 2019 is prepared, in all material respects, in accordance with the requirements of the Second Schedule of the Securities Brokers (Licensing and Operations) Regulations 2016 (the Regulations) read with Rule 2(d) of the Securities Exchange Commission (SEC) Rules, 1971 (SEC Rules 1971) issued by the Securities and Exchange Commission of Pakistan (SECP).

Basis of Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs), as applicable in Pakistan. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Statement* section of our report. We are independent of the Securities Broker in accordance with the ethical requirements that are relevant to our audit of the Statement in Pakistan, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter – Basis of Accounting and Restriction on Distribution

We draw attention to Note 1 to the Statement, which describes the basis of accounting. The Statement is prepared to assist IGI Finex Securities Limited to meet the requirements of SECP, Pakistan Stock Exchange (PSX) and National Clearing Company of Pakistan Limited (NCCPL). As a result, the Statement may not be suitable for another purpose. Our report is intended solely for IGI Finex Securities Limited, the SECP, PSX and NCCPL and should not be distributed to parties other than the Securities Broker or the SECP, PSX or NCCPL. Our opinion is not modified in respect of this matter.

Responsibilities of Management and Those Charged with Governance for the Statement

Management is responsible for the preparation of the statement in accordance with the Regulations and SEC Rules 1971, and for such internal control as management determines is necessary to enable the preparation of the Statement that is free from material misstatement, whether due to fraud or error.

Those charged with governance is responsible for overseeing the Securities Broker's financial reporting process.

Auditor's Responsibilities for the Audit of the Statement

Our objectives are to obtain reasonable assurance about whether the Statement is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Statement.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Securities Broker's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates, if any, and related disclosures made by management.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

The engagement partner on the audit resulting in this independent auditor's report is Noman Abbas Sheikh.
